

The Conservation Volunteers Chair Candidate Pack 2022

INCLUSIVE **BOARDS**

MESSAGE FROM OUR CEO

Dear prospective Chair of The Conservation Volunteers,

Thank you for your interest in our work and in the position of Chair of our Board of Trustees. TCV made a transformational impact on my life when I joined as a volunteer over 25 years ago, and I am incredibly proud of the work we undertake day-in-day-out. Each year, we make a significant positive impact by delivering lasting outcomes for environment, communities, health & wellbeing, and learning & skills.

This would not be possible without the good governance of our Board and its subcommittees and the invaluable experience and perspective that the members of those bodies bring. Should you be successful in your application, I will very much look forward to working together to further our cause of connecting people and green spaces.

Darren York
CEO of TCV

MESSAGE FROM OUR CURRENT & FUTURE VICE-CHAIR

Dear potential TCV Chair,

Welcome to TCV and welcome to our Recruitment Pack which is aimed at potential candidates for the role of TCV Chair. This has been pulled together as part of our recruitment process and, hopefully, has assembled for you all the information you might need to make a considered decision about your potential involvement with TCV as its chair.

TCV is a genuinely fascinating organisation which combines community and volunteering activity together with making environmental improvements to local places. Our activities promote community wellbeing and cohesion and play, we believe, an important role in improving individuals' physical and mental health. As we begin to emerge (hopefully) from COVID 19 we believe the need for our activities will only increase in the coming months and years. We believe too that this demand will increase as public bodies find it increasingly difficult to fund and deliver environmental services locally.

TCV is a significant enterprise in its own right with a turnover of £10 million and 277 staff delivering our programmes. We have a three year strategy in place which will deliver our ambitions to meet the anticipated increased demand for what we do. Everything we do at TCV is driven by our mission, our values and our ethos – we are clear about who we are. We take pride that that sense of purpose is underpinned with strong governance, finances and processes.

We believe this is a great opportunity for the right individual to make a major contribution to the ongoing development of TCV and in so doing to improve the lives of tens of thousands of our fellow citizens and to leave a lasting, positive, legacy on our environment..
