

HFMC WEALTH

NED CANDIDATE PACK 2023

WELCOME FROM OUR CEO

Firstly, may I thank you for your interest in our Non-Executive Director vacancy.

This role represents an exciting time of development for our Group. We have come a long way since my wife and I started the business in our own front bedroom back in 1986. We have now grown to a team of over 110, offering a long-term home for 27 (and growing) industry leading financial advisers and over 80 central and support staff. Our greatest growth has been since 2012, when we formed our vision to become the Number 1 home for entrepreneurial, independent, client centric, Chartered financial advisers, since when our recurring revenues have grown almost fivefold.

Our mission is to provide the best possible financial outcomes for our client families, currently totalling 1,700 and expected to be 2,000 by this Summer. Our values of transparency, trust and tailored advice enable our clients to achieve their most fundamental financial objectives and provide the foundation for how we do business. In a market increasingly dominated by consolidators (often backed by shorter-term investors) we see our USPs as our independence, our desire for longevity and above all our relentless focus on our stakeholders – clients, staff, shareholders and community – including an increasing focus and commitment to Equality, Diversity and Inclusion.

This is our first NED hire in over a decade and we feel it's absolutely critical in ensuring that we as a Board deliver our key ambitions over the next 5 years. We are proud of our achievements to date – multiple winners of the Best Financial Adviser to Work for award, one of very few larger firms (over 50 staff) attaining CII Chartered status, the management of over £1.7bn in assets, some 20 acquisitions and adviser hires, along with a 98% client retention rate and no instances of a “bad leaver” adviser. Our average adviser tenure is 15 years and more than 40% of our employees and partners have been with us for 10 years or more. We are consistently ranked in the top 100 adviser lists produced by the FT and CityWire and regularly win awards for best HNW financial advisers in the South-East.

In this NED, we are seeking a critical friend, a mentor to myself, our Board and talented Management Team, and importantly someone bringing outside experiences of journeys that mirror our own ambitions, in culture-led businesses within or beyond a financial services environment. You will be an essential part of the team delivering key objectives, including growing revenues from £15m to £40m, and helping us to secure and successfully work with the external investment partner that will help us to achieve this. You will support the growth of this unique business, shaping a future beyond me as an individual, and continuing to improve the opportunities for many more hundreds of client and employee families in the years to come.

If you identify strongly with our values, and believe you have the capability to support us in this next phase of our journey, we welcome your application.

Jeremy Hoyland, CEO
