Welcome

A very warm welcome to Wickersley Partnership Trust.

Wickersley Partnership Trust (WPT) was founded in 2014, and I became CEO in 2018. WPT exists to further the interests of the young people that it serves. We believe that education empowers and enriches: our vision is to send all children into an ever-changing world able and qualified to play their full part in it. We are committed to ensuring that all students have the best educational experience possible, and we know that recruiting the highest quality colleagues is key to realising this mission.

As a parent myself, I am a strong believer that if it isn't good enough for my own children, it isn't good enough for the children of the communities we serve. I uphold these standards in every decision I take as CEO.

Our ethos is clear: we are one school on many different sites. Our innovative use of System Leadership ensures that colleagues are well supported and work collaboratively so that all students, regardless of the school they attend, receive the same high-quality education and experiences.

As a Trust we invest heavily in our colleagues. All staff have access to Westfield Health, with many benefits including 24/7 GP access and counselling sessions. Our innovative Workforce Development program, ongoing Professional Development, outstanding Training Opportunities including Degree Level Apprenticeships for support staff and NPQ routes for teaching staff, truly set us out from the crowd. All roles at WPT are part of wider job families, with clear progression routes identified. This enables colleagues to progress in their chosen career, and allows a natural succession plan to form with systems in place to identify talent.

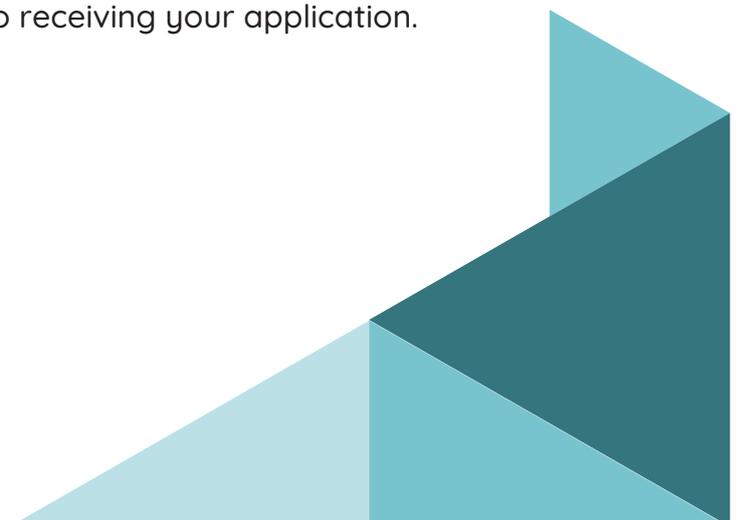

All staff are enrolled into generous local government or teacher pension schemes, and we were among the first Trusts in the country to standardise terms and conditions for our support and teaching colleagues.

The wellbeing of our colleagues is our number one priority. We hold regular wellbeing events, including an annual Staff Awards evening. We can offer flexible working and term time / flexible hours. We invest in our Induction programme to ensure that all colleagues are welcomed to the Trust fully informed and ready to positively affect the education and futures of the children that we serve. We strongly believe in a healthy work-life balance; leaders are always mindful of this when managing their teams.

Regardless of the position you are applying for, we thank you for your interest in joining our growing team. We look forward to receiving your application.

Helen O'Brien
Chief Executive Officer,
Wickersley Partnership Trust

About WPT

We aim to send all children into an ever-changing world, able and qualified to play their full part in it.

Wickersley Partnership Trust (WPT) was founded in 2014, as a limited company, with charitable status. It currently comprises eight primary schools and five secondary schools (including one sixth form) and 5 Centres for Special Education Needs, Disabilities and/or Behaviour Units across Rotherham and neighbouring counties, with over 7,000 students in its care. With plans for growth, predominantly at primary level, WPT is committed to ensuring that all students have the best educational experience possible, and that students and learning are at the centre of everything it does. It exists to further the interests of the young people who it serves and nurtures the development of knowledge, creativity, skills and understanding to help children develop into happy, healthy, caring and successful citizens.

The Trust is committed to raising achievement through high standards and expectations and is committed to providing active, co-operative and independent learning through dynamic and high-quality teaching. The climate for learning within WPT is characterised by embedded inclusivity and high expectations from the whole Trust community, and aims to become not only part of the community, but at the heart of the community.

Following the pandemic, the Trust has used technology to enhance the way it works which will remain a priority in order to enhance outcomes for the children, connect them more easily, reduce the burden for teachers and improve parental engagement.

The Trust is forward-thinking and ambitious, aiming to provide an innovative, creative and integrated curriculum which inspires and motivates children to learn, considering different learning styles and the communities it serves. The Trust has five key strategic priorities:

- Leadership development
- People development
- Effective curriculum and outcomes
- Wellness for students and staff; and,
- Playing an active part in the community

Our Commitment to Equity, Diversity and Inclusion

Wickersley Partnership Trust is committed to promoting good employment practices in respect of all current and prospective employees and will strive to guard against any activities or actions which disadvantage any sections of the community.

In line with its commitment to diversity and inclusion, Wickersley Partnership Trust is looking to broaden the profile and experience of the Board so that it better reflects the communities which it serves. As such, women are actively encouraged to apply. All appointments will be made on merit, following a fair and transparent process. In line with the Equality Act 2010, however, the organisation may employ positive action where candidates from underrepresented groups can demonstrate their ability to perform the role equally well.

Wickersley Partnership Trust seeks an outstanding individual to join its Board as a Director to work with the Board and executive team to help shape its organisational strategy, and achieve its educational and charitable goals. Employee Testimonials

I came to Wickersley School as a pupil for 7 years and after three years studying in London, I applied to do my PGCE via Schools Direct. I did my placements at WSSC and RCS and was then offered a job at Wickersley School.

I was lucky enough to have the opportunity to teach A Level Statistics early on in my career and have since helped to develop other A Level teachers and the A Level curriculum within the department. I was then provided with the opportunity of mentoring some staff in their initial teacher training. After my first year, I was offered the middle leadership course and within two years of teaching I undertook the role of Teaching and Learning Lead for Mathematics providing me with the opportunity to work with teachers at other schools in Rotherham. I then proceeded to take on the role of numeracy lead whilst a colleague was on maternity leave.

Two years ago, I became the Director of Mathematics for Wickersley Partnership Trust. In my first year of this position, I was supported immensely by Senior Leaders across the Trust and was encouraged to study for my NPQSL with Learners First. I have also been provided with the release time to work with other colleagues across the nation who lead Maths across Multi-Academy Trusts. In the last few months, I have been made full time Director to provide more time to the role. I absolutely love my job and would not be here without the support from Wickersley Partnership Trust and the leaders around me believing me and providing me with every opportunity to develop and succeed.

Laura Sharp
Director of Maths

My career journey within WPT began at Wickersley School & Sports College in 2008, where I joined as an NQT in the English Department. Wickersley was a wonderful place to learn my trade, as workforce development was always a priority and opportunities to gain experience as an aspiring leader were aplenty.

Six years on, when WPT was still in its infancy, I made the switch to Rawmarsh Community School. Here, I would discover the true value of working as part of a family of schools. This was especially true as I moved into more outward facing roles as part of the Senior Leadership Team. Being able to collaborate with colleagues within our local feeder schools and WPT partner schools proved hugely valuable in my development as a professional.

After seven and a half thoroughly enjoyable years at Rawmarsh, I made the move to my third WPT secondary school to take up the position of Deputy Headteacher at Clifton in 2022. Having the opportunity to fulfil my ambitions within WPT is testament to the support and training that I have received over the years.

In my experience, at WPT, the next opportunity really is just around the corner and, as the Trust continues to evolve year on year, it is as exciting as ever to be a part of it.
